

Wichita Falls FAASTeam presents:

Monthly Safety Meeting

We train for things we know can happen, but what about the things that we have never recognized as potential threats. Mary Latimer (recently selected by the FAA Lubbock District as the FAASTeam Representative of the Year, also FAA Designated Flight Examiner, and 2014 FAA Regional CFI of the Year) has prepared a program to help us deal with the gamut of unknown threats entitled "The Known Unknowns vs the Unknown Unknowns." Included in her presentation is a look into the recent fatal accident in New Mexico of a local pilot/Al and some of the possible issues concerning it.

Directions: Drive to 1801 9th St, Wichita Falls.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
