

FAASTeam presents:

2016 NWS Lubbock Aviation Weather Safety Workshop

In the spirit of promoting aviation safety through weather knowledge, the National Weather Service in Lubbock, in collaboration with the Amarillo and Albuquerque weather forecast offices, is pleased to announce our fifth annual aviation weather workshop.

CWS Who? A look inside NWS Center Weather Service Units

Cindy Elsenheimer, NWS Amarillo
Aircraft Icing Anticipation & Avoidance

David Craft, NWS Albuquerque

Fog—A Brief Review and Impacts on Aviation

Felecia Bowser, NWS Lubbock

Tours of the Lubbock forecast office will be available after the presentations to US citizens. Foreign nationals are also welcome to attend the tour, but will need to arrange for proper clearance by February 2nd. The event flyer is available at <http://weather.gov/lubbock>

Directions: The event will be held in the Science Stage on the south side of the Science Spectrum Museum on Texas Loop 289 in South Lubbock between Indiana and University Ave. Park on south side of building off 74th Street.

GPS: 33.527762 N 101.876610 W

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
