

Wichita Falls FAASTeam presents:

Monthly Safety Meeting

Summertime is right around the corner and with it comes its own special form of flying hazards. They are many and quite varied -- and can ruin your day if you don't know what to expect and how to prepare for them. Bill Smith (FAASTeam Rep, retired F-16 fighter pilot, CFI, owner of Sunrise Aviation LLC, and Sheppard AFB T-38 simulator instructor) has prepared a program on "The Hazards of Summer Flying" which promises to be most informative. Wings credit will be assigned to attendees.

Directions: Drive to 1801 9th St, Wichita Falls.

A message from the National FAASTeam Manager
