

Flight Instructor Open Forum

This program will provoke a lively discussion of issues associated with the importance of risked-based flight reviews. It is not just about filling the blocks but, fulfilling the needs of the pilot. We will also discuss the new ACS (Airman Certification Standards) which replaces the PTS. Bring a fellow instructor with you, all are welcome.

Directions: Exit South off Loop 289 onto Slide Road. Take the first right onto 68th Street. Take a right onto Aberdeen St. (just across from Hobby Lobby) Go to the second glass building on the left. Enter the West door and follow the signs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
