

The Pros and Cons of Digital Engine Control

A discussion on the benefits and limitations of Full Authority Digital Engine Control and a discussion of common problems that can be prevented from proper maintenance and inspection.

Directions: Attendees with Class II, Non-SIDA access to Abilene Regional Airport can park on the ramp in front of the hangar. All others can park in the TSTC parking lot next to our hangar, or on the grass behind the hangar, provided it has not recently rained.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
