

**Lubbock SW-13 FAASTeam presents:**

## **Lubbock IA Seminar**

IA seminar will fulfill the annual training requirements for renewal.

Discussions on Turbine and piston engine maintenance, regulatory compliance, import/export requirements, and human factors training. We will also have a question and answer period for local high emphasis items.

AMT credit will be given for this course.

There will be another seminar in Olney, Texas on March 3, 2018.

**Directions:** Directions from northbound I-27:

Take off ramp at Exit 8. Stay on service road to Youngstown street, take a right, then left on N Cedar Avenue. Take second right onto E. Edinboro Street. The event will be held in the second hangar on the right. (Hangar 6)

Direction from southbound I-27:

Take off ramp at Exit 9. Turn left under the overpass (N. Cedar Ave) Crossover the service road and take the first right (stay on N. Cedar Ave) Turn left on E. Edinboro Street. The event will be held in the second hangar on the right. (Hangar 6)

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
