

## Monthly Safety Meeting

Last month John McMurray gave an excellent presentation on how to handle problems as they arise in the air. Do harrowing flight experiences really happen? Sure do. HP Scheule (District FAASTeam Representative of the Year (2015), Retired German Air Force Pilot and currently a CFII and USAF Flight Simulator Instructor) has prepared a follow-up presentation entitled "Systems Failure Above The Clouds -- A Real World Story" highlighting the harrowing concerns and consequences he faced. Wings credit will be awarded to attendees.

**Directions:** Drive to 1801 9th St, Wichita Falls.
