

What Is That Mountain Goat Doing Up Here In The Clouds

Presentation will discuss Controlled Flight into Terrain (CFIT) Accidents and provide recommendations from the General Aviation (GA) Joint Steering Committee, a work group that studies GA Accidents. Topics include Safety Risk Management Processes and Technological solutions to CFIT challenges.

The importance of Instructions For Continued Airworthiness (ICA) in an aircraft inspection

Directions: From San Angelo Loop 306 head south on Knickerbocker Road to the airport. Turn left onto Reary Blvd and continue to Hangar Road. Turn right at the Skyline hangar and park in the parking lot. The seminar will be held in the flight school.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
