Lead Representative Andrew Roscoe Beaty

We're in for a unique treat this month when Colby Huffman presents a program entitled "How GA Pilots Can Fly Like Fighter Pilots." Colby is a Commercial Pilot, CFII, and FAASafety Representative. The meeting will be in Mac McGregor's big hangar at Danaher Airport (7TX0) where there will be plenty of personal space and separation in compliance with current government health rules and guidelines. A catered BBQ meal will be served and fly-ins are welcome. If you plan to attend, please register thru [faasafety.gov](http://faasafety.gov) so that we can project a rough headcount and prepare accordingly. Wings credit will be awarded to attendees.

**Directions:** Fly to Tom Danaher Airport (7TX0) or drive to 540 Quail Run, Wichita Falls, TX.
