

## Runway Safety Meeting - Midland International Air and Space Port (KMAF)

Runway Safety Action Teams (RSAT) bring local airport stakeholders together at least once a year to identify risks to surface safety at that airport and develop plans to mitigate or eliminate those risks. RSATs provide the foundation of the Runway Safety Program at individual airports. The RSAT meetings are the primary forum for pinpointing and addressing airport-specific risk in the surface environment.

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan.

### Event Details

**Tue, Aug 19, 2025 at 10:00 CDT**

**Midland Airport Conference  
Room 2nd Floor**

9506 La Force Blvd.  
Terminal Building  
Midland, TX

**Contact: Craig PATTERSON**  
**(806) 407-8175**

**craig.m.patterson@faa.gov**

**Select #: SW13138630**

**FPM Craig PATTERSON n/a**

From Highway 191, take the 349 exit and drive south on highway 349. Turn east on Sloan Field Blvd and drive to the terminal area short term parking lot. Bring parking ticket to meeting to get free parking validated.

If flying.....MAF is the identifier. The FBO is Signature. The terminal building is just south of the FBO. Please see attached airport diagram.

Conference room is in the terminal building. Take the elevator to the second floor and ring the door bell for entry.
