

Monthly Safety Meeting

Passing the Check-ride is a license to learn. Now, you can draw on your flying community to help you improve your proficiency, to learn more about pre-flight planning, in-flight gadgets, flying maneuvers, and some things that might not have been covered in great detail during your pilot training.

LaVena Wilson, CFII, and ATP in a Challenger 350, has prepared a presentation to give you some more insight on this topic.

After the presentation, please stick around for a Master Pilot award ceremony for one of our own flying community members.

WINGS credit will be awarded to attendees.

Drive to 2907 Garnett Ave.
