

# Runway Safety Meeting - San Angelo Regional Airport (KSJT)-Hybrid Event

Runway Safety Action Teams (RSAT) bring local airport stakeholders together at least once a year to identify risks to surface safety at that airport and develop plans to mitigate or eliminate those risks. RSATs provide the foundation of the Runway Safety Program at individual airports. The RSAT meetings are the primary forum for pinpointing and addressing airport-specific risk in the surface environment.

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel.

Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan.

## Event Details

**Wed, May 27, 2026 at 14:00 CDT**

**San Angelo Airport Conference Room**

8616 Terminal Circle

San Angelo, TX

**Contact: Craig PATTERSON**

**(806) 407-8175**
