

THE FAA IS LISTENING TO YOU!!

FAA LISTENING SESSION

Sponsored by the Tulsa Technology Center, Riverside campus

Date: February 29, 2008 Time: 10:30AM – 11:30AM

Location: Tulsa Technology Center, Riverside Airport Campus

Address: Tulsa Technology Center, Riverside Campus 801 E. 91st Street Tulsa, OK 74132

Room: Alliance & Conference Center Building Main Auditorium

The listening session is an opportunity for the aviation public to meet and have their questions answered by the Southwest Region's Regional Administrator, Teresa Bruner and a panel of FAA Representatives from Flight Standards, FAA Safety Team, Air Traffic Control, Airports Division, FAA Medical, Runway Safety and Flight Procedures. This session is being conducted during the Tulsa Aviation EXPO 2008. For information and directions for the EXPO and Listening Session, please search Oklahoma Events, Listening Session from the SPANS Events and Seminars link at <http://www.faasafety.gov>

[Note to participants: If time does not permit us to answer your question, please feel free to fill out a form with your contact information, and you will receive a response.]
