

November 16th and 17th FAA safety Seminar- High Altitude Training (a current flight physical is required for the Nov 17th Camber experience).

Accommodations;

Fairfield Inn & Suites by Marriott, 5700 NW Expressway, Oklahoma City, OK, Phone 405/470-8484, is offering rooms for \$79 per night. Just mention "**Southern Wings Safety Seminar**". Rooms must be reserved not later than October 31st.

Fairfield does **not** offer transportation, however, Southern Wings will insure transportation to and from Fairfield is available to those flying in.

A **FREE** dinner, courtesy of Kam's Kookery, Atlantic Aviation, and Mid America Roofing & Construction, will be served on the 16th.

Fairfield offers a free breakfast to its customers. Southern Wings & Precision Flight will offer a **FREE** lunch.

Wings credit for a "Flight Review". See Harry for information;

A free Chandelle class will be offered on Nov 17th to all attendees. Two one hour flights will also be offered. The cost for instruction is \$50 per hour. All instruction monies collected will be given to participating OU instructors. The flying events are not part of the seminar, but are offered each year at our fall seminar.

This year a few rental aircraft will be available, and you will need to make your own arrangements for them.

Should the weather prevent flying, both of my simulators will be available at no cost. You will need only to pay the \$50 per hour instructor fee.
