

FAA-AFS-600 presents:

**FAA AFS-600 Regulatory Support Division Open  
House September 18 & 19, 2012**

September 18 will consist of guest speakers discussing topics that effect aviation safety and you. September 19 is a continuation of the 18th, however following the lunch break on the 19th there will be a panel of guest there to answer your questions related to the event topics, or your individual questions. Register now to allow time to receive your complete information packet on this event.

**Directions:** The main security gate to the MMAC is located SW of the intersection of S. MacArthur Blvd and Regina Ave. The Registration form attached must be returned by September 12, 2012 to attend. See attached PDF documents for instructions. There will be FAA personnel available to assist you at the MMAC security office and to building 1. If you plan to fly into Will Rogers World Airport's Commercial or General Aviation facilities please let us know so we can arrange transportation.

**A message from the National FAASafety Team Manager**

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
