

Aviation Weather Made Simple

There are three (3) sessions to this eight hour seminar. January 15th, and January 17th, from 6:30 pm until 8:30. January 19th from 8:00 am until noon. This course is FREE, it is also required before enrolling in either my Instrument Pilot (February 2013) or Private Pilot (March 2013) ground school class. Please bring your laptop or IPAD as we will be going on line for weather information.

Directions: Beneath the large LED sign. East end of the building, lower floor

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
