

Aviation Weather Made Simple

There are three (3) sessions to this eight hour seminar. March 19th, and March 21st from 6:30 pm until 8:30pm, and March 23rd from 8 am until noon.

You do not need to be a pilot to attend this free course, but you must complete this course before attending my Instrument/Private Pilot Ground School classes. Bring your laptop/IPAD as we will be going on line for weather information.

Directions: Beneath the large LED sign. East end of the building, lower floor
