

# Lockheed Martin Flight Services (LMFS) Pilot Web Portal Assisted Pilot Weather Briefings

Dale will provide a summary of new LMFS features that will enhance your knowledge and safety, help you meet FAR requirements, and discuss strategies for air crews to maximize their on-line and telephone weather briefing experience. He'll also give you a preview of recent improvements and what's coming next.

**BRING YOUR LAPTOP/IPAD** Do you have a LMFS Pilot Profile on file? Learn how this can save you time and effort when obtaining a weather briefing or filing a flight plan.

**Directions:** 2nd Floor of the Terminal Building. Event begins at 10 am, and will be repeated at 1 pm.

Pre-registration is not required. The City of Hinton, will provide lunch to attendees.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
