

IFR Departures for Part 91 (that's us) operators. Seminar 1 of 3

This is the 1st of 3 seminars. This seminar was developed by local flight instructors, FAA flight Inspection personnel, Oklahoma TRACON, and FAA procedures development personnel. Seminar #2 will be held September 27, and seminar #3 on November 1st. Everyone is welcome, and an instrument rating is not required (you will be surprised at how much we have not been taught).

Directions: The seminar is at the new Southern Wings Hangar, north of NW 63rd & west off Rockwell Ave. It appears to set by itself. Ask Ground Control for Progressive taxi instructions to Southern Wings. We will have a FREE cookout after the two hour seminar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
