## **LETTER TO AIRMEN NO. 15-004**

**SUBJECT:** Movement Areas NOT VISIBLE from the Temporary Tower.

**CANCELLATION: September 8, 2017**

Tulsa ATCT is being worked from a temporary tower facility located near the intersection of taxiways Juliet and Bravo. The ability to see movement areas has been greatly reduced. Numerous movement areas are no longer visible from the temporary tower.

Movement areas that are not visible from the temporary tower are:

WESTSIDE of Airport:

- RWY 18R/36L.
- Taxiway Lima, and associated intersections and taxi lanes north of Taxiway L-2.
- Taxiway Lima, and associated intersections and taxi lanes south of Taxiway Charlie.
- All of taxiway Mike, including M-1, M-2 intersection, and associated taxi lanes.
- Taxiway Kilo west of Taxiway Kilo and associated Intersections and taxi lanes.

EASTSIDE of Airport:

- Taxiway Golf 1
- The south end of taxiway Echo and taxi lane EE

***DUE TO OBSTRUCTED VISION, TUL TOWER IS UNABLE TO PROVIDE AIR TRAFFIC SERVICES TO RUNWAY 18R/36L.***

**Preferred runway usage during this time is runway 18L/36R, or runway 8/26.**
