

## ADS-B Technology

Michael Kussatz from the Garmin Corporation will cover the specific details that will come in to play with the new ADS-B equipment requirements and what an owner/operator should expect in the near future.

**Directions:** From the Elwood Ave Riverside gate turn left on Airport Way, go North to Cessna Drive and turn right, then continue to Jack Bates Avenue and turn right. Destinations will be the last hangar on the left.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
