

## The importance of PIREPS

NTSB meteorologists will articulate real world accidents, and incidents, which might have been averted had PIREP data been timely reported by pilots and/or ATC.

This seminar is open to OU Aviation Department personnel, and posted only for record keeping purposes. The meeting will include the monthly SMS session.

**Directions:** 2nd floor briefing/conference room

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
