

From PTS to ACS for Instructors and DPEs

This seminar is a combined effort of the FAA, and Precision Flight, to standardize the efforts of instructors and DPEs. Plan to attend and get to know your fellow Instructors, DPEs, and FAA Inspectors.

We will also review Integrated Airman Certification and Rating Application (IACRA) input for student pilot certificates. Feel free to bring your tablet or laptop.

Directions: Precision Flight is located on the North East Corner of State Highway 152, and Morgan Road. The seminar will be held in the upstairs classroom.
