

IA Renewal Seminar

This year's meeting will consist of an FAA accepted eight (8) hour IA Refresher Seminar presented by various Industry and FAA personnel. This course meets the IA renewal requirements for your IA renewal as mandated by 14 CFR part 65.93(a)(4). The course also meets the training requirements as the FAA Aviation Maintenance Technicians (AMT) Awards Program in accordance with AC 65-25 and counts for 8 hours of maintenance training. Personnel from the Will Rogers FSDO will be on hand to answer any questions you may have before and after the IA Seminar.

Directions: Business Conference Center Auditorium

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
