

## Skiatook Flying Club Meeting

A double header!

Aviation Maintenance Technicians are vital for your airplane's health. Learn how to get along with your mechanic. Know what your responsibilities are, and the A&P's as well. Don't ignore those Service Bulletins. Find out what they are, how to get them and what to do with them.

**Directions:** The meeting will be held in the Airport lounge. Skiatook now has a security gate; the code is the published CTAF (four numbers). Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines. Please expect to wear a mask.

### A message from the National FAASafetyTeam Manager

Earn your WINGS to get a chance to win a cash prize. Go to [www.mywingsinitiative.org](http://www.mywingsinitiative.org) for more info.
