

Christiansen Flight School CFI Forum

Rick Guilfoyle will recount his engine-out experience - what he did, why he did it and what role training had in the successful outcome. After this discussion you may want to reconsider your own engine-out readiness or how you teach emergencies.

Directions: Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines. Masks are mandatory.
Flying in? Park below the Tower.

A message from the National FAASTeam Manager
