

Chickasha Safety Meeting Topic of the Month February 2023

Single-pilot resource management (SRM)

Single-pilot resource management (SRM) is the art of managing all onboard and outside resources available to a pilot before and during a flight to help ensure a safe and successful outcome. Incorporating SRM into GA pilot training is an important step forward in aviation safety.

Directions: Meeting in Chickasha Municipal airport terminal bldg. If you drive, park in the short term parking next to the green terminal building.

Walk through gate in the NW corner of parking lot. We will have a couple pizza's and cold water bottles about 6 pm and a meeting at 6:30.

*Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

A message from the National FAASTeam Manager
