

Shawnee May Safety Meeting

David Lane, CFI, CFII, ATP and Captain for Skywest Airlines will provide an overview of the different classes of airspace, discuss proper arrival and departure procedures from each and review lessons learned from over 1,700 hours of dual instruction given!

Due to the tornado damage to the Shawnee airport terminal building, the meeting will be held at the Gordon Cooper Tech - Aviation Campus conference room located at the north end of the airport.

Fly-in space is available but bring your own tie-downs.

Doors will be open at 5:30 PM CDT.

A message from the National FAASTeam Manager
