

## Ponca City WINGS Meeting

This is not about flying into unimproved dirt strips. This is about flying a Cessna 172 into normal airports that happen to be in the mountains. This is about the risks, planning and execution of a flight crossing the New Mexico and Colorado Rockies, California Sierras and Nevada's Basin and Range.

This meeting will be held in the clubhouse.

### A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
