FAASTeam presents:

Skiatook Safety Meeting

Howard Jaeger (A&P, IA, DME) will present Preventative Maintenance from an Owner/Operator point of view. There is a long list of maintenance items you can perfrom to save money and -- more importantly -- bond with your airplane.

The meeting will be held in the Airport lounge.

Skiatook has a security gate; the code is the published CTAF (four numbers).

A message from the National FAASTeam Manager
