

San Antonio Aviation Safety Seminar March 30, 2010

Sponsored by: Valero Energy and Cessna / Citation - San Antonio Service Center, and supported by the San Antonio FSDO and the FAA Safety Team

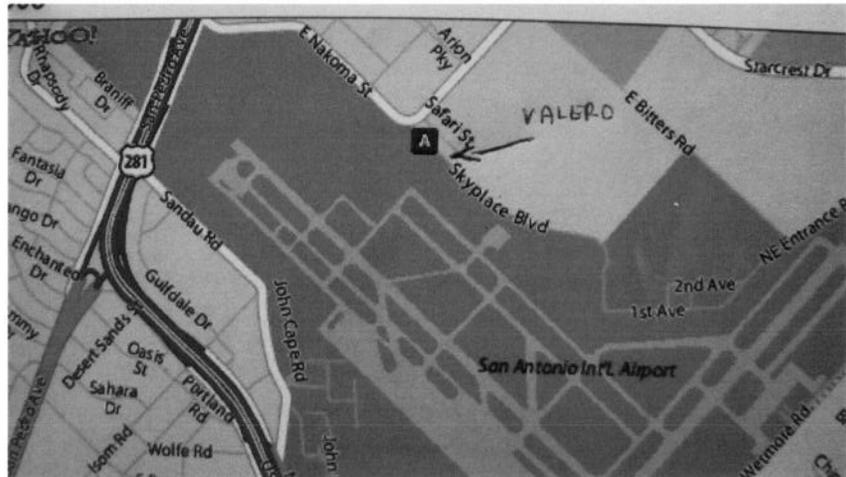

PLACE: Valero Hangar
1000 Skyplace Blvd.
San Antonio, TX. 78216

TIME: 0800 to 1700

Don't miss this opportunity to hear informative industry speakers, visit with old friends, and gain valuable training that will qualify you for Inspection Authorization renewal and AMT awards. This is an FAA approved course.

Charles Taylor Awards

Catered Lunch On Site - \$10.00 or <

By popular demand Lucky Louque from Air Salvage of Dallas will be back to do two one hour sessions on accident case studies and maintenance record gotcha's. The FAA will do awards and a session on light sport aircraft maintenance. Valero is doing a section that will teach you everything you never knew about aviation fuels. This is only a few of the informative speakers we have lined up.

THERE IS NO FEE TO ATTEND THE SEMINAR:
It is not required but appreciated if you would go to FAASafety.gov and register for the event.
