

SAFE Regional Pilot Proficiency Project Oct 26th and 27th

The Society of Aviation and Flight Educators (SAFE) along with Redbird Flight Simulations, will present its first Regional Pilot Proficiency Project on October 26-27 at Skyport in San Marcos, TX. The project brings valuable proficiency training to pilots by combining relevant safety forums, challenging simulator training sessions, food and camaraderie. You'll hear presentations by some of the leading aviation educators in the industry. A special moderated panel will discuss "iPad Best Practices for Flight Planning".

Directions: Located at Redbird Skyport on the San Marcos Airport (KHYI)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
