

## GAPA monthly meeting

Presenter was an on sight investigator for weeks following this tragic event and very involved in the determination of what happened. The seminar will include pictures, charts, debris field maps and be a comprehensive explanation of this event.

**Directions:** Left turn down the hall to the conference room. Signs will be posted.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
