

## Glass Cockpit Operations Seminar

Have you looked longingly at the Aspen PFD or Garmin G500, imagining those beautiful glass panels set in your airplane? Think it's too advanced for your flying skills? Well, think again! Hank Gibson of Texas Top Aviation will be hosting a seminar at the Redbird Skyport FBO at the San Marcos Airport (KHYI) on Thursday, September 25th at 7pm to enlighten everyone on all the different glass panel and modern GPS options out there.

**Directions:** Immediately behind reception desk.
