

## Is the Approach Active?

Description: Redbird Skyport is hosting the first annual Bluebonnet Fly-In on Saturday, May 30th starting at 10am. Come participate in spot landing contests, helicopter rides, food, fun, and even a swap meet! Stick around for the free safety seminar at 2pm presented by Hank Gibson of Texas Top Aviation. Hank will be speaking on flying approaches with the Garmin 430/530. All attendees to the safety seminar must register as space is limited.

**Directions:** Main Conference Room inside Redbird Skyport.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
