

San Antonio FAAS Team presents:

Precision - Glass - and Culture

Are Precision and Accuracy the same?

As advanced cockpit displays become more common, how do we adapt?

Finally, do we have to overcome culture in order to create a new culture of safety?

The aim of this seminar is to encourage aviation collegiality and community through information and education. To that end, anyone interested in the broad field of aviation is welcome to attend and meet fellow aviation safety advocates, flight instructors, pilots, and non-flying partners, as well as maintenance representatives.

Directions: Flying In - Set your GPS Direct-To KHRL; Tell Ground you want to park at Sun Valley Aviation; East-side of the airfield, North Ramp

Driving In - Head into Harlingen on I-69E (see map link below)
From the North - Exit East onto Combes Rio Hondo Rd (FM 508); Right onto FM 509; Right onto Bodenhamer Dr; Right onto Bob Youker St; Left onto Woodall Ave; Right onto Lodestar Ave

From the South - Exit East on TX N Loop 499; Left onto Grimes Ave; Left onto FM 509; Left onto Bodenhamer Dr; Right onto Bob Youker; Left onto Woodall Ave; Right onto Lodestar Ave
