

San Antonio FAASTeam presents:

Runway Safety Meeting - Valley International Airport - Harlingen

Every Towered Civilian Airport in America has a Runway Safety Action Team (RSAT). Every RSAT is required to conduct a public meeting annually to discuss Runway Safety, Runway Incursion Avoidance, Wrong Surface Landings and any other Runway Safety topics of interest. You, the flying public, are encouraged to attend and to provide input based on your knowledge and experiences. This is also an opportunity to learn from the airport Air Traffic Control Team, Airport Management, operators on the field, and from your fellow pilots.

Please take the time to participate as an active part in your Aviation Community, and to add your weight to move the risk-pendulum toward SAFETY.

Directions: FLYING IN - Set your GPS to KHRL, Direct, Enter, Enter - Communicate with Valley Approach and Harlingen Tower. After landing tell Ground Control you want to park at one of the east-side FBOs.

There is no pre-arranged ground transportation from the FBO to the Terminal Building. This is an individual Airman responsibility.

DRIVING IN - Head into Harlingen on I-69E. Exit East on TX N Loop 499; this will take you straight into the Airport Entrance.

WALKING IN - Probably NOT!!! Try a Taxi or Ride Share ;-)
