

San Antonio FAAS Team presents:

A-B-Cs of Airspace and Special Use Airspace

Rockport Fly-In - Too Many Individual Activities to List them Here.

Aviation Airspace and Special Use Airspace
If it's been a while since you had a Good review of the VFR Sectional, this is the event for you. We'll talk about the Alphabet Airspace, and get you acquainted with some of the other airspace that you may encounter.

After that, there will be a discussion on Intercept Procedures for those of you who fell asleep in the previous class.

Prior to attending a safety seminar please review current CDC, State and Local health guidelines.

Directions: Flying in - Set your GPS to KRKP; Direct-Enter-Enter; Talk with Corpus Christi Approach on 120.9; Aransas County CTAF Frequency is 123.05; Aircraft parking will be along the North end of Taxiway Foxtrot (east of Rwy 36); Watch for marshallers to guide you in

Driving in - North of the City of Rockport, from Hwy 35 North or South, once you are abeam the airport follow the signs for the Fly-In Event entrance gate.

Walking in - Probably Not! Try a Taxi or Ride-Share!!!
