

## New Braunfels IMC and VMC Club Into Thin Air and Hold Short

Our meeting has two scenarios. The first is a night flight return over high country. You start to feel not right and you are missing radio calls.

Next a flight comes to the end but you are told to keep your speed up on final and then land and hold short on a wet runway.

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips.

### Event Details

**Tue, Aug 8, 2023 at 18:30 CDT**

**New Braunfels National Airport**

2333 FM 758

New Braunfels, TX

**Contact: Terry Ross, ATP, CFI-I,  
Airplane Owner**

**210-885-2927**

**tkedpcross@gmail.com**

**Select #: SW17123257**

**Representative TERRY JOE ROSS  
n/a**

Through the FAA Safety Program, aviation professionals provide informative **WINGS** presentations.

You do not have to be an instrument rated pilot to attend. Membership in the EAA/IMC Club is encouraged but not required to participate in this meeting.

**Flying In** - Hit Direct To for KBAZ and talk to Austin approach control from the North and San Antonio approach control from the South. Ask the tower to park by the airport terminal.

**Driving In** - Take the Highway 46 exit off of IH-35 to the SouthEast and turn left on FM 758. Airport will be on the left.

**Walking In** - Probably Not! Take a Taxi or Ride Share.

**See Attached Map**

### **A message from the National FAASafety Team Manager**

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
