

VCT Area Pilot Meeting and FAA Safety WINGS Program - Preflight After Maintenance!

Event Details

This Safety Meeting will help the pilot understand the responsibilities of returning an aircraft to service and identify why a preflight after maintenance differs from a normal preflight.

Wed, Sep 13, 2023 at 18:30 CDT
Victoria County 4H Activity Center
259 Bachelor Dr, Victoria, TX
Victoria, TX

DRIVING IN - The Victoria Regional Airport is just NE of the City on US59 Business. Follow the signs to the Terminal. Turn left on Hangar Drive at the Terminal and follow it to the 4H Activity Center at the NW end of the airport, opposite the Control Tower.

FLYING IN - KVCT

VCT Jet Center is the GA FBO. If you are flying in, please call me at 361-243-0107. I will arrange a ride or set up a crew car you can bring over from VCT Jet to the 4H building.
