

## KHYI IMC Meeting - Lost In The Storm

**Scenario:** You are flying cross country in IMC. Suddenly you find; with power at idle, nose pitched down, you're climbing at 1000 feet per minute with the airspeed indicator in the yellow arc. Minutes later, you can't hold altitude with full power at  $V_y$  attitude. What will you do?

### **Event Details**

**Thu, Oct 19, 2023 at 18:30 CDT**

**ATC Building on SR-21**

400 Airport Hwy 21

ATC Building

San Marcos, TX

**EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real-life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. Membership in the EAA/IMC Club is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!**

***FLYING IN*** - Set your GPS to KHYI, Direct, Enter, Enter - From the North talk to Austin Approach; From the South talk to San Antonio Approach; After landing, tell Ground Control you want to park at Berry Aviation. If you plan on this method, call ahead, you will need to use the courtesy vehicle to get to the meeting, which is on Highway 21. Event organizers are not providing transportation from the airfield to the event.

***DRIVING IN*** - From Interstate Highway IH-35 – Exit 205 and go East on SR-80; After crossing the Blanco River, exit Right and turn Left (NorthEast) on SR-21; Drive past the airport
