

New Braunfels IMC Club Meeting - Strike Out

A well planned flight from a non-towered field. Everything is going great until right after takeoff you hear a thump right as you go into the weather. Should you return, should you continue... Come and be ready to discuss.

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips.

Through the FAA Safety Program, aviation professionals provide informative **WINGS** presentations.

You do not have to be an instrument rated pilot to attend. Membership in the EAA/IMC Club is encouraged but not required to participate in this meeting.

For more information and to take part in this event, click the link below and register TODAY!

Flying In - Hit Direct To for KBAZ and talk to Austin approach control from the North and San Antonio approach control from the South. Ask the tower to park by the airport terminal.

Driving In - Take the Highway 46 exit off of IH-35 to the SouthEast and turn left on FM 758. Airport will be on the left.

Walking In - Probably Not! Take a Taxi or Ride Share.
