This is a prerecorded webinar at skillfull.com. Pilots can perform preventative Maintenance on their aircraft and save money in doing so. It's also a great way to learn more about your aircraft. This webinar answers the following questions, and covers the following:

What is Preventative Maintenance?

What resources are available?

What Pilots are allowed to Perform Preventative Maintenance?

Can an Owner Perform an Owner Assisted Annual Inspection?

Tools Required, some Basic Steps, and Best Practices

Tips for Oil Changes, Tire Changes, Wheel Bearings, and Seats

Accident Caused by an improper Oil Drain

Log Entries, what is required?

This is a Pre-Recorded Webinar. It can be viewed at any time at Skillfull.com, by taking the following steps:

- 1. Locate the Owner Pilot Maintenance Course at the following link:**

<https://skillfull.com/Course/8naaaaaab#>
