

Introduction to Safety Risk Management (SRM) and Volunteer Pilot Organizations

Event Details

Dive into the essentials of Safety Risk Management (SRM) with the Director of Flight Operations from STEM Flights in this FAA Safety Team webinar. Tailored for Volunteer Pilot Organizations, this presentation will cover the importance of SRM, its implementation, and how it impacts safety within volunteer-based flight operations. Attendees will gain insights into developing effective safety protocols, identifying and mitigating risks, and fostering a culture of safety. This session is ideal for volunteer pilots, coordinators, and anyone involved in the nonprofit aviation sector seeking to elevate their safety standards and operational efficiency. Join us to learn, engage, and contribute to safer skies for volunteer aviation initiatives.
