

Maintenance Human Factors- The Dirty Dozen- Aviation Regulations- Records

Event Details

This is a closed event for Texas State Technical College Students and Faculty only. No email distribution will be generated, but a Course ID Number is needed to award AMT Credit. For additional Information contact Garry Mitcham at 716-481-9875.

This Presentation Covers the STLI Model: Standards, Training, Leadership, and the Individual, as well as the Dirty Dozen Human Factors that can cause accidents. We will look at a few Accidents related to engine Maintenance, and discuss how the STLI model and the Dirty Dozen could have contributed to the accidents. In addition, the Aviation Safety Regulations and recordkeeping will be reviewed.

This will be held in a room chosen by the Faculty Members at the campus. For additional Information contact Garry Mitcham at 716-481-9875.
