

New Braunfels IMC Club Meeting - Dark Approach

The IFR flight is going smoothly until approach control tells you the runway lights are out of service. The other lights work, right? If you continue, it will not hurt to take a look. You can always divert. What are the risks?

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and develops safety through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips.

Through the FAA Safety Program, aviation professionals provide informative **WINGS** presentations.

You do not have to be an instrument rated pilot to attend. Membership in the EAA/IMC Club is encouraged but not required to participate in this meeting.

Event Details

Thu, Oct 9, 2025 at 18:30 CDT

New Braunfels National Airport

2333 FM 758

New Braunfels, TX

Contact: Terry Ross
