

New Braunfels VMC Club Meeting - Great Lakes Wind Challenge

Youth and aviation are a great mix until perhaps a little over confidence steps in. Flying a Great Lakes biplane can be fun on a nice day but, what about limits. Do you have any cross wind limits? What happens when all of the controls are put in and you still drift? Come and discuss your crosswind challenges.

EAA/VMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education through safety and proficiency and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips.

Through the FAA Safety Program, aviation professionals provide informative **WINGS** presentations. Membership in the EAA/VMC Club is encouraged but not required to participate in this meeting.

Event Details

Tue, Nov 11, 2025 at 18:30 CST
New Braunfels National Airport
2333 FM 758
Terminal Building Pilot Lounge
New Braunfels, TX

Contact: Terry Ross
