

Runway Safety Action Meeting at Brownsville-South Padre Island International Airport - Hybrid Event

Event Details

Every Towered Civilian Airport in America has a Runway Safety Action Team (RSAT). Every RSAT is required to conduct a public meeting annually to discuss Runway Safety, Runway Incursion Avoidance, Wrong Surface Landings and any other Runway Safety topics of interest.

You, the flying public, are encouraged to attend and to provide input based on your knowledge and experiences. This is also an opportunity to learn from the airport Air Traffic Control Team, Airport Management, operators on the field, and from your fellow pilots.

Please take the time to participate as an active part in your Aviation Community, and to add your weight to move the risk-pendulum toward **SAFETY**.

This meeting will be available virtually on Microsoft Teams:

The meeting will be held at the Terminal Administrative Conference Room located on the 2nd floor. Once inside the Terminal, proceed upstairs to the Conference Room.

Flying-In - Set your GPS to **KBRO** and select "**Direct-To, Enter, Enter**": Communicate with Valley Approach and **avoid the TFRs**; Once you are on the ground, ask to Park at one of the **FBOs**.

Note – FBOs are within walking distance of the Terminal Building.

Driving-In - From IH-69E, Exit East onto Boca Chica Blvd. Turn Right (SouthEast) on Billy Mitchell Blvd. This will take you to the Airport Terminal Parking.

Walking-In - Yeah; Like a pilot is going to walk that far! Probably NOT! You may want to try a Taxi or Ride-Share.
