

New Braunfels VMC Club Meeting - Bumpy Final

You just finished a pleasant cross country with a friend and on short final you encounter very turbulent conditions. A go-around is accomplished and now what should you do? Try it again, maybe it is just an anomaly, or make a retreat elsewhere? What is the cause of this?

You have a few questions and it is time for answers.

EAA/VMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education through safety and proficiency and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips.
