

Are You Ready for the Unexpected - Survival Tools for Pilots

We read about this in the news from time to time, someone survives for days or weeks until rescue finally arrives. How about you? Are you mentally and physically prepared to survive. Are you equipped to survive?

Let's take a look at how to prepare and what it takes to actually survive when the time comes.

Flying In - Set you GPS to KTXW-Direct-Enter-Enter; Communicate with Valley Approach; Park on the West Mid-field Ramp; Hangar 4 is Walking Distance

Driving In - From Hwy IH-2, Exit 159 to North Airport Drive; Enter thru the North Gate; Hangar 4 is on the Right - *See Attached Map*

Walking In - Yeah, like a pilot's gonna walk that far; Try a Taxi or Ride Share

A message from the National FAASTeam Manager
